

WEEKEND

TALK

WEEK – 46
No Participation Fee

On Safety Engineering, Management and Analytics (SEMA)

Conducted under
“AZADI KA AMRIT MAHOTSAV”
- 75 years of India’s Independence

Centre of Excellence in Safety
Engineering and Analytics (CoE-SEA)

Prof. J Maiti
Chairman, CoE-SEA

Prof. O B Krishna
Convener

TOPIC: RISK-CONSCIOUS OPERATIONS MANAGEMENT

Prof. Prabhakar V Varde
Senior Professor
Homi Bhabha National
Institute, Mumbai

Prof. Prabhakar V Varde is a senior professor at the Homi Bhabha National Institute, Mumbai. He serves as the Associate Director, Reactor Group in charge of design, operation safety services, and project activities of Research Reactors at BARC, since July 2018. He is also a visiting professor at the Centre for Advanced Life Cycle Engineering (CALCE), University of Maryland, USA; Professor of Practice at the Department of Mechanical Engineering, IIT Madras; Honorary Professor at Amity University, Noida; President, Society for Reliability and Safety (SRESA); and Editor in Chief of the International Journal of Life Cycle Reliability and Safety Engineering. From 2011-2016, he was an Indian representative to the Working Group Risk, Nuclear Energy Agency, France. He has over 225 publications, which include 15 books/conference proceedings, referred journal papers, and 16 major technical project reports. He was awarded the Raja Ramanna Fellowship, the SROQM-2012 Award for Pioneering Work in Safety and Intelligent Operational Support Systems, Best paper award ICQRIT-2016, International Conference on Quality, Reliability, and Information Technology, and DAE Group Achievement Award in 2018 for Apasara-U research reactor criticality.
