

WEEKEND TALK

WEEK – 55
No Participation Fee

On Safety Engineering, Management and Analytics (SEMA)

Conducted under
“AZADI KA AMRIT MAHOTSAV”
- 75 years of India’s Independence

Centre of Excellence in Safety
Engineering and Analytics (CoE-SEA)

Prof. J Maiti
Chairman, CoE-SEA

Prof. O B Krishna
Convener

TOPIC: ELECTRICAL SAFETY IN STEEL PLANTS—WITH SPECIFIC REFERENCE TO TATA STEEL JAMSHEDPUR WORKS

Mr. Anurag Saxena
Chief of Electrical
Maintenance
Tata Steel Limited,
Jamshedpur

Mr. Anurag Saxena currently holds the position of Chief of Electrical Maintenance at Tata Steel, Jamshedpur. He is leading a team of more than two thousand employees and around fifteen hundred contract workers to manage the electrical maintenance and power systems of the Tata Steel Jamshedpur Plant. He is a graduate in Electrical Engineering from IIT, Roorkee in 1987 and is a Certified Energy Manager by BEE (Bureau of Energy Efficiency) and an MBA with an Advance Diploma in Operation Research. He was the Chairman of the Institute of Engineers, Jamshedpur Chapter. He has visited around 20 countries across the globe to present papers, benchmarking, and due deliberation for technology partnership and knowledge sharing. His career spanned over 35 years in many areas, including power generation, gas-based power generation, transmission & distribution, steel making, iron making, electrical equipment, and the execution of projects for raw material handling plants. He has also worked extensively in the area of safety in steel plants, with specific expertise in the areas of electrical safety and positive isolation.
